

Monthly Business Analysis Report

Bluepeak Systems · 2026-09

Key Project Updates

Cross-team efficiency rose and delivery lead times shortened versus last quarter. We recommend expanding channel investment and rebalancing resourcing to sustain growth. Cost pressure and regional competition remain the principal risks to monitor.

Item	Revenue (k)	YoY
Marketing	443	0.083
Operations	276	0.038
Nimbus Storage	209	0.346
Marketing	447	0.41
